www.niesa.org/ems/emtbclass

This training is a 264.5 hour class approved by the State of Michigan that will prepare you to respond to emergencies and provide stabilization, on scene treatment, and ambulance transport of ill or injured patients. The core education includes CPR, anatomy and physiology, airway management, patient assessment, care of medical and traumatic emergencies, blood borne pathogens protection, patient extrication and transport, HazMat response and incident command. This course will prepare you to take the NREMT exam.

Those wishing to attend CE courses at NIESA must reserve a spot for the class by calling NIESA Training Coordinator Emily Ward EMT-P, I/C @ (517) 655-3384 ext. 257 or by going online to www.niesa.org and clicking on education. Seats are limited. There is a \$20 per individual CE fee for those that are not NIESA EMS, Williamston or Leroy Fire personnel unless otherwise noted. Discounts are listed for multiple CE, entire day classes, and complete refresher courses. Checks may be made payable to NIESA.

All classes will be held on the above dates at the NIESA Williamston Fire Station 1296 W. Grand River, Williamston, MI 48895 unless otherwise announced.

The fee for ACLS recertification for outside personnel is \$115. Students must produce an ACLS card that expires no later than the last day of the month of the recertification course. Those not currently certified will not be admitted to class.

All certification courses, including the refresher course must be registered and paid for prior to the first day of class. This can be done in person at the Williamston station or online at www.niesa.org. Courses may be cancelled due to lack of participation.
